To the shareholders

Dear Sir or Madam,

**PROPOSALS RELATING TO
GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES
NOTICE OF ANNUAL GENERAL MEETING
AND
RE-ELECTION OF DIRECTORS**

INTRODUCTION

At the annual general meeting of Changgang Dunxin Enterprise Company Limited (the “Company”) for the year ended 31 December 2015, resolutions will be proposed to grant to the directors of the Company general mandates to issue and repurchase shares of the Company.

The purpose of this circular is to give you further details of the abovementioned proposals and notice of the annual general meeting of the Company for the year ended 31 December 2015 (the “AGM”). In compliance with the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”), this circular also contains the explanatory statement

and gives all the information reasonably necessary to enable shareholders to make an informed decision on whether to vote for or against the resolution to approve the purchase by the Company of its own shares, together with particulars of the directors proposed to be re-elected at the AGM.

GENERAL MANDATE TO ISSUE SHARES

At the AGM an ordinary resolution will be proposed to grant a general mandate to the directors of the Company to allot, issue and dispose of shares of the Company not exceeding 20 per cent. of the share capital of the Company in issue to provide flexibility to the Company to raise fund by issue of shares efficiently. On 3 June 2016 (the “Latest Practicable Date”), being the latest practicable date prior to printing of this circular, there were in issue an aggregate of 1,191,360,000 shares of HK\$0.01 each of the Company (“Shares”). On the assumption that no Share will be issued or repurchased prior to the AGM, exercise in full of the mandate could result in up to 238,272,000 Shares being issued by the Company.

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will also be proposed that the directors be given a general mandate to exercise all powers of the Company to repurchase issued and fully paid shares of the Company. Under such mandate, the number of shares that the Company may repurchase shall not exceed 10 per cent. of the share capital of the Company in issue on the date of the resolution. The Company’s authority is restricted to purchases made on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) in accordance with the Listing Rules. Based on 1,191,360,000 Shares in issue as at the Latest Practicable Date and on the assumption that no Share will be issued or repurchased prior to the AGM, exercise in full of the mandate could result in up to 119,136,000 Shares being repurchased by the Company. The mandate allows the Company to make or agree to make purchases only during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company.

The directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases may enhance the net value of the Company and/or earnings per Share. As compared with the financial position of the Company as at 31 December 2015 (being the date of its latest audited accounts), the directors consider that there would be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed purchases were to be carried out in full during the proposed purchase period. No purchase would be made in circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

The Company is empowered by its Memorandum and Articles of Association to purchase its shares. The Cayman Islands law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of profits of the Company or out of a fresh issue of shares made for the purpose of the repurchase or, subject to the Company remaining solvent in compliance with the Companies Law of the Cayman Islands, out of capital and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing the credit of the share premium account of the Company or, subject to the Company remaining solvent in compliance with the Companies Law of the Cayman Islands, out of capital. Under the Cayman Islands law, the repurchased shares will be cancelled but remain part of the authorised but unissued share capital of the Company.

The directors intend to apply the capital paid up on the relevant Shares or the profit that would otherwise be available for distribution by way of dividend for any purchase of its shares.

Directors, their close associates and core connected persons

None of the directors nor, to the best of the knowledge and belief of the directors having made all reasonable enquiries, any of the close associates of any of the directors has any present intention, in the event that the proposal is approved by shareholders, to sell Shares to the Company.

No core connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

Undertaking of the directors

The directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of the Cayman Islands, and in accordance with the regulations set out in the Memorandum and Articles of Association of the Company.

Effect of Takeovers Code

A repurchase of Shares by the Company may result in an increase in the proportionate interest of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Hong Kong Code on Takeovers and Mergers (the “Code”).

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Mr. Zheng Dunmu (“Mr. DM Zheng”), who and through his corporate interests held 29.21 per cent. of the issued share capital of the Company, was the only substantial shareholder holding more than 10 per cent. of the issued share capital of the Company. In the event that the directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholding of such shareholder in the Company would be increased to 32.45 per cent. of the issued share capital of the Company and such increase would not give rise to an obligation on it to make a mandatory offer under Rule 26 of the Code.

Stock Exchange Rules for repurchases of shares

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders’ approval

(b) Source of funds

Repurchases must be funded out of funds legally available for the purpose.
